Are YOU an Exceptional Educator or Leader?? Do you KNOW an Exceptional Educator or Leader??

The application deadline for the EEC Exceptional Leaders and Educators Awards is fast approaching!

The Massachusetts Department of Early Education and Care (EEC) is honoring exceptional educators and instructional leaders who have demonstrated quality skills in contributing to the early childhood education and out of school time field. **EEC will honor the contributions of 10 outstanding educators and instructional leaders in each of its 6 regions.** Each recipient will receive an award and a certificate recognizing their accomplishments. Award recipients will also be honored at gatherings across the state and at the State House.

Please follow directions provided within the application (attached and also at link below). **Although this is NOT a 'nomination', please do consider applying yourself OR assisting someone in your program to apply for themselves if you feel that they should be honored.**

All applications should be returned to Kathy Gallo kgallo@northshore.edu or at the address below no later than **4:00 PM on March 5, 2011.**
